

THE BUZZzzzzzzzz IN THE HIVE

January 2020

ACCENTUATE THE POSITIVE

Welcome to 2020.

I hope that everyone had an enjoyable break and have come back ready to tackle a new decade. We have had a couple of changes here over the holidays as we welcome Mrs. Koopman and Mrs. Bolthouse to our teaching staff. Our students have returned full of energy and eager to learn. As always, we thank you for your support in our learning journey and look forward to continuing our efforts with you into this new year. We will be promoting our new year's motto – Keep Calm, Be Stinger Strong.

Yours in education,
John Mooney, Principal

Inclement Weather:

In the event of bus cancellations, schools remain **OPEN** unless otherwise determined by the Director of Education. Decisions about cancelling transportation services usually occur very early in the morning of a school day, and are based on the latest information about road conditions and weather forecasts. Bus routes that have been cancelled due to inclement weather are cancelled for the whole day. Parents/guardians must always use their own discretion when it comes to determining whether or not their children can safely get to and from school. Parents/guardians who bring their children to school will be responsible for the transportation of students in the event of bus cancellations. To find out if buses are cancelled, visit the Tri-Board Transportation website, www.triboard.on.ca or the LDSB website, www.limestone.on.ca, and/or listen to local radio stations as early as possible in the morning.

NEW THIS YEAR:

For student safety, when buses are cancelled, it is the responsibility of the
