

THE BUZZzzzzzzzz IN THE HIVE

October 2019

PRINCIPAL'S MESSAGE

Well, fall is definitely upon us as there is a decided chill in the morning air. We have had a busy couple of months but now seem to be settled into the flow of the school year. Our sports teams have been off to a great start and we have had a number of great school activities including the Terry Fox Run, Orange Shirt Day, Swim to Survive and the Can CODE project through Queen's University to name a few. We are also thrilled to be hosting Girls Inc. on Tuesdays after school for girls in grade 4-8. We thank you for your continued support in these projects and for helping to make Storrington a great place to learn. We are continuing to roll out our new growth mindset slogan – Keep Calm and Bee Stinger Strong. Stay tuned for more information in the coming months.

Yours in education,
John Mooney, Principal
