

THE BUZZzzzzzzzz IN THE HIVE

September 2019

Welcome Back, September 2019!

It has been a great first week back and I feel so fortunate to be back with all of the Storrington students and families for my second year. There is always such a positive energy bubbling through the school when we return and share the stories of our summer experiences. We have already begun organizing student activities, sporting events, and field trips in pursuit of another year of new learning. One of our main areas of focus this year will be on resiliency to develop the idea that as Storrington Stingers we don't give up and that we aren't afraid to try again if we aren't successful the first time, or need to make improvements. We will be developing the motto "Stinger Strong" to champion our cause and help define the resiliency goal. Hopefully you will start to hear it at home as we get going and I invite you to use it as well. Together we are Stinger Strong.

Yours in education,
John Mooney, Principal

Parent Council News!!
Parent Council Meeting on
Wednesday, September 18th at 6:30 pm.
Join the school's Parent Council and get involved!!

Please note our new safety plan...

To ensure the safety of students and staff, all Parents and Visitors **MUST** report to the main office.

Families are **NOT PERMITTED** to attend Milk classrooms without authorization from the office.

Thank you for helping to keep our school safe.

TERRY FOX RUN – Thursday, Sept 26th @ 2:00 pm.

Terry ran his Marathon of Hope over 30 years ago. His story continues to inspire new generations today. We hope that you will join us and participate on Thursday, Sept 27th at 2:00 pm. Students are asked to bring a loonie or toonie to donate to this cause.

The Foundation is inspired by a dream, is volunteer driven, and directs .87 cents of every dollar directly to the cause. Your support will make a difference in the lives of cancer patients and their families today and in the future.

SAFE SCHOOL PROGRAM

The safety of your child is our number one concern! Please use the Safe Arrival System to inform the school of your child’s absence. Use the School Messenger Website, call the toll free number, 1-855-257-9349, or feel free to call the school, 613-353-2868. The Safe Arrival App will not allow you to indicate that your child will be late, so please call the school!!!

PEANUT AWARE SCHOOL

A reminder that Storrington Public School is a “Peanut Aware School”. We have students with life threatening food allergies. For the safety of our students and staff, we ask that families

refrain from sending nut-based products.

SCENT AWARE SCHOOL

A reminder that Storrington Public School is a “Scent Aware School”. For the safety of our students and staff, we ask that families refrain from wearing strongly scented products while in the building.

Threat/Risk Assessment Notification and Process

The Limestone District School Board and community partners are committed to making our schools safe for students and staff. As a result, schools will respond to all student behaviours that pose a potential risk to other students, staff, and members of the community. The Community Violence Threat Risk Assessment Process is designed to be proactive in developing intervention plans that address the emotional and physical safety of those involved. A Threat/Risk Assessment is initiated by the school administration or community partners when behaviours have been identified by staff or students that pose a potential risk to self and/or others. Please note: it is important for all parties to support the Violence Threat Risk Assessment Process. However, if for some reason there is a reluctance to participate in the process, by the student of concern or parent/guardian, the threat assessment process will continue in order to ensure a safe and caring environment for all. Families are asked to review the steps of a Threat/Risk Assessment online at <http://bit.ly/LDSBthreatassessment> .

CPIC's

Should you wish to attend a field trip with your child, a current CPIC must be on file at S.P.S. Please check with Mrs. MacGregor that we have a valid CPIC on file.

PA Day...

Friday, September 27th.
No school for students.
